

**KĀHU**  
ROOF & CLAD

# COMPANY OVERVIEW

[www.kahuroof.co.nz](http://www.kahuroof.co.nz)

# KIA ORA

Kahu Roof and Clad specialises in the installation of long run metal roofing and cladding products. With over 20 years experience in the industry, we are fortunate to work with some of the best in the business.

We are accredited installers of all metal roofing and cladding products - including architectural options including Espan, Spanlock, DiamondDeck and other architectural roofing and cladding products. At Kahu Roof and Clad we execute with excellence on every project we undertake.

Whether it is a new roof, replacement of an existing roof or extension, we work Northland wide with offices in Whangarei, Paihia and a team specific to the Mangawhai region.

Our clients become whanau, and we respect your property like it's our own. Our business has been built on word of mounth, integrity and repeat clients. We look forward to welcoming you to the family.

# SERVICES

Kahu Roof and Clad specialise in all types of long run metal roofing and cladding.

We are part of the DHS Group of companies which include:

- DHS Construction
- WAI Plumbing
- DHS Painting

This places us in the unique position of being able to provide carpentry, painting and plumbing work if it should be required on-site - making us a one stop shop to get your project over the line. We also work in conjunction with a number of other building companies and can tailor our services to suit your requirements.

Our team have over 20 years of experience and are passionate about excellence from start to finish.

## **NEW BUILDS - COMMERCIAL AND RESIDENTIAL**

We specialise in all types of long run metal cladding installation for both commercial and residential projects - we have a large team meaning we can tackle projects both small and very large.

## **ROOF REPLACEMENT**

Need a new roof? Our team are quick, efficient, competitive and excellent when it comes to roof replacement. We can also replace your old tiles with long run metal cladding.

## **CLADDING**

No matter the profile - we can install all types of metal cladding. Our team are accredited in all types of architectural long run metal cladding products.

# NEW ROOF PROCESS

We believe having an excellent process, transparency and great communication every step of the way is key to delivering your project.

# PAST PROJECTS

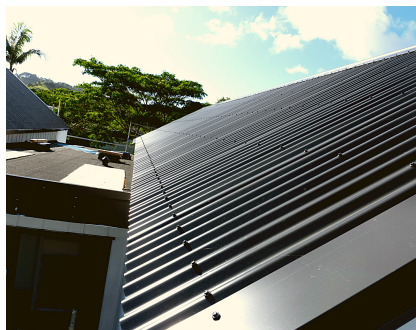

Kahu Roof and Clad has extensive experience across a broad range of projects - from commercial new builds, commercial re-roofs, school projects to architectural residential new builds and re-roofs.

We are one of the only roofing companies in Northland who specialise in the installation of architectural long run roofing and cladding products such as E-Span, Span Lock and DiamondDeck.

It's not just the workmanship - our crew are excellent from start to finish in all aspects of the job.

**ARCHITECTURAL
